

MISSION & VISION

VISION

The Cowles Library Fusion Center will facilitate the acquisition, understanding and creative use of knowledge at Drake University.

MISSION

The mission of the Cowles Library Fusion Center is to

- ★ assist students in developing research and communication skills to levels appropriate for academic success at Drake and personal success in their careers
- ★ assist faculty with research and instruction
- ★ provide a dynamic space that stimulates and supports information literacy, critical thinking and creativity through the use of peer consultants, innovative technologies and collaborative engagement with service units throughout the University
- ★ provide a variety of instructional, learning spaces, meeting spaces and tools that support and encourage collaboration, interaction and the development of community
